Learn how to take a clean fully shuffled deck, and deal yourself the winning hand. No marks, No trick decks. Deck is handed to you completely random. No joke!

Ever wonder how cheats really do their thing? Think it's about marked cards or gimmicks? Think again. This video is the first of it's kind to truly expose underground cheating techniques in action today. Several of the moves on this video have NEVER been seen before anywhere! Not to mention this video is full of brand new material invented by Jeff Wessmiller himself.

Includes live game footage of the cheat in action
