Both volumes are paged beginning with page number 1. To avoid confusion, the page numbers in Volume 2 are each followed by "V-2." 24-V2 would thus designate page 24 in Volume 2. The companion Volume, Andrus Card Control, Volume 2, contains the illustrations to accompany the text herein, and will bear the same copy number.

Format ca. 21,5 x 30, beide Bände in Spiralbindung
