Englischsprachige Produktankündigung:

You bring out your wallet and remove four single dollars, fold them in half, and place them onto ANYONE'S OPEN HAND. You can even wrap a rubber band around the four dollars to keep them secure. Your own hand are empty. Your wallet can be shown on both sides. The four dollars are in full view on her hand. But when you gently tap her handful of four dollars... they INSTANTLY CHANGE into FOUR HUNDREDS (Or tens or twenties). Your hands are STILL EMPTY...your wallet can still be shown on both sides... and she can IMMEDIATELY EXAMINE her four changed bills! You never have to touch the bills after they change.

The moment the change happens, the deed is done and there is nothing else to switch or steal!

- Change happens in full view on spectator's open hand
- Very Very easy to do
- No palming
- You never have to touch the bills after they change
- Changed bills can be immediately examined
- Perform surrounded and in just about all conditions
- Re-sets in seconds
- Works with most foreign currency
- Customize your gimmicks for any bills in two minutes
