Produktinformation

A Jumbo sized deck of cards is freely shown. The magician fans the deck before a spectator and asks him to freely remove any card from it. The balance to the pack is fanned before a second spectator, again for the removal of a card, and then to a third.

No forces of any kind.

The pack of cards goes into the clear houlette. It is hung on the crystal clear rod, the ends of the rod project from the houlette.

The spectators called out their cards one at a time and eerily and spookily the cards rise from the deck....
