Imagine the following: After performing your favorite pen/pencil through bill effect,

A wiseguy from the audience shouts out loud: "Hey, do it with MY pen"...Well, now you CAN!

Effect

A BORROWED bill is folded in half widthwise. Next, a BORROWED pen or pencil is placed in-between the bill, which is clearly shown. Now read this carefully; WITHOUT touching the pen/pencil, It starts to "MELT" right through the fold of the bill SLOWLY and VISUALLY, until the pen/pencil drops in your waiting hand!

Just like "REAL" magic! Everything is immediately handed out for examination!

"A.E looks great! Very magical, very visual and done with both a borrowed bill and a borrowed pen? It's going into my repertoire ASAP! This would make a beautiful follow up to "Just Passin' Thru", or any of the other penetration effects of this

Produktinformation

type--offer to do it with THEIR bill AND their pen/pencil--or it will play beautifully as a stand-alone effect. Congratulations on a job VERY well done!"

-Scott F. Guinn

"That looked ****ing sick!!, you fooled me badly!!"

-Sean Fields

"A.E.2 is *@!*ing excellent, I am adding it to my working material straight away. It's the ultimate bill penetration, blows all others out of the water. I love it!!"
