ca. 16 x 23 cm, 310 S., Louis Tannen Publications, 1963, gebunden

It's the greatest book for the mentalist-magician to see print in over a quarter of a century. Between the covers of this cloth bound book are to be found the finest of modern day miracles by the leading performers in this field of pseudamentalism.

## Produktinformation

---

Tricks that have baffled thousands are clearly explained for your immediate use. Here is Annemann at his best! Tricks upon which he built his reputation. ... 194 tricks. 12 chapters. Effects with Billets & Pellets. Publicity Effects, Dead or Alive, Book Tests, Thought Foretold, Miscellaneous Masterpieces, Envelope Necromancy, Miracle Slate Routines, Money Mentalism, Blindfold Reading, Mentalism with Cards, and Psychic Codes. 310 pages. So you're not a mentalist? Not interested in making tricks? No matter, here's material that any magician can, and every magician should use. Most of the effects can be presented as straight magic.
