ca. 22 x 29 cm, 225 S., gebundene Ausgabe mit Schutzumschlag Aus der englischen Beschreibung: At last, a contemporary publication on KELLAR, the most respected name in America's magic history. Kellar's original manuscript, "A Magician's Tour - Up and Down and Round About the Earth", is presented herein, greatly enhanced by newly discovered photos, rare full color posters, correspondence and related historical material from the Kellar family archives. Now, assisted by Robert E. Olson, Phil Temple presents the reader with additional historical material on Harry Kellar the man, and his magic.
