Aus der englischen Beschreibung: The magic wand becomes lighter than air as it defies gravity and the magician. Richard Robinson creates a perplexing series of illusions as the wand does the impossible until the magician makes it obey his commands. The Magic Stick dvd includes Robinson's performance video; a slow motion walkthrough of all the moves and handling; tech notes to explain the details; and a step by step routine video. Also on this dvd is a data folder with a construction kit pdf for making a magic stick, a print template pdf, a photo illustrated routine pdf, performance music mp3s, music loop mp3s and practice audio mp3s. The Magic Stick is a magical and mysterious interlude fro platform and stage as a magic wand and the magician surprise the spectators with the impossible.
