Get all 10 tricks of the project "Newsletter Tricks" in one volume, as well as 5 new and never-before-published bonus effects and 2 hidden bonuses ! You'll blow away both spectators and seasoned magicians.

This DVD (for the demonstrations) / Book (for the explanations) will help you to learn to do these tricks the easiest way possible. The benefits of a DVD and the practicality of a book without the drawbacks of either one !

Most of the tricks require you to add a little extra something to your regular deck of cards: a piece of scotch tape, a double-backed card or a folded card, for example. These details will allow you to work wonders ! The tricks are easy to set up: You'll find everything you'll need around the house.

Based on new concepts and new methods, learning these illusions will help increase your creativity.
