The audience is asked to believe that the two red kings are really slices of bread and the deck of cards is a toaster. The two red kings are placed in the toaster. All of a sudden a card pops up – it's a black king... Toast! A few moments and a second card pops, it's a red king, Oops! It's not done yet. You push it back in and a black king pops up. You place the kings on the table and all of a sudden a fried egg appears "Sunny Side Up" on toast.
