

## Cup by Bruno Copin - DVD (Risind Card)

Art-Nr.: 45614 / GTIN: neu

**19,00EUR**

inkl. 19% USt. zzgl. Versand

🔒 Nur noch ein Exemplar vorhanden!

Three different presentations of a perfect rising card with a borrowed deck. The spectator freely picks the card and everything can be controlled before and after the experience.

**Magic Pitcher:** The spectator becomes the magician.

**Great Escape:** A subtle steal. This effect could have been called Houdini.

**Rising Card:** A repeatable rising card effect... Yet again in the spectator's hand!

The multi-angle explanations allow for a perfect understanding of the movements.
