Ice Breaker

Lee's 3 Phase opening routine. Cards jump from hand to hand, vanish and appear in impossible places! Included is an in depth discussion on character types for different audiences, approach and much, much more.

Produktinformation

Walkaround 2 Cards to Pocket

Two cards are lost in the deck, then found and then they swap places. Snappy, fast and a real attention grabber. Utilizes the Ollie Mealing 'Switch Trick', one of the best glimpses ever! Worth the price of the DVD!

Trans-box-ition

One of Lee's signature tricks being explained for the first time. An awesome routine in which a card jumps under the card box not once but twice and even escapes a spectator's hand. A third phase ends with the ENTIRE DECK UNDER THE BOX. Best of all its easy to do!

You Keep Mine

A superb multi-phase routine that ends with the spectators signature jumping from their card to one that has your business details on the back. The perfect giveaway that's sure to get you more bookings.

Bold Business

An amazing feat of mind power. Leave the spectator thinking you really can read minds! A miracle using nothing more than a marker pen and some business cards (again worth the DVD).

Third Degree

Three cards are chosen, one even imagined. All three are revealed in progressively harder ways until the magician reveals that the thought of card has been in their hands right from the start. A masterpiece of audience management and psychology.
