Cut yourself in half! Anywhere at anytime! Surrounded by spectators!/ 14 x 22 cm, 12 Seiten, geheftet "That's sick!" When you hear the first two people you show your trick to independently say the same thing, you know you're on to something. I've probably invented over two-dozen ways to cut yourself in half over the past 10 years. Yeah, I know it's a nutty obsession. But I've always wanted a way to respond when some asks if I can cut someone in half. Now I have an answer, "Yaeh, me."
