Based on Dustin D. Marks' two best selling books this DVD shows many of the techniques and strategies used to cheat at the game of blackjack. Marks claims to have cheated casinos while working as a dealer and reveals many of the real techniques used by teams in casinos and demonstrates many of the techniques used.

Techniques and strategies include:

Cheating Scenarios, Switching Hole Cards, Starter Card, Muck, Stealing A Card, Exposing The Hole Card, Drink Move, The Flash, Cold Stacking, Gap Peek, Two Card Drop, Pinching The Bet, Turnover Change, Peeking, Playing The Bend, Two Player Switch, Rolling The Deck, and much more.
