

## Printed Reality

Art-Nr.: 12477 / GTIN: neu / Marke: [El Duco](#)

### PRINTED REALITY

originated by El Duco

#### Effect:

The spectator selects card from the deck. To make it more visible for the audience you draw it in jumbo size on a pad.

You tear off the the papper with the drawn card and roll it up into a tube. Show a white blank silk and put it into the tube. Put the tube to the mouth and blow out the silk at the other end. The silk has a print of the drawn card!!! Unroll the tube and show it blank on both sides!

#### Material:

- a drawing pad
- one white blank silk
- one white silk with the five of diamonds printed on it.
- one dye tube

You also need a red felt pen and a deck of cards.
