Carl Andrews, a leading professional magician in the USA, has provided much advice and recorded experiences valuable to all magicians from his career in this attractive book, together with nearly 30 effects and presentations for close-up and stand-up. Cards, coins, balls and dice are some of the areas where he divulges his secrets.

His acclaimed "Three Coins Across," versions of the "Frog" trick and "Anniversary Waltz", Cup(s) and Balls routines with one cup, two cups or a can will be valuable to the pro., amateur or anyone with serious interest in our art.

Perfect bound, 96 8.25" by 11.25" pages, with forewords by Dan Garrett and Greg Wilson, Introduction by Tim Trono, Fully-Illustrated by Tony Dunn
