In his first ever book, Ben Rayot reveals some of his most "deadly weapons," the routines that he has used time after time to get strong reactions from audiences. These are some of the finest mental effects released in some time. Contains:

- E.S.Pecially for You
- Eye Can See What You Are Thinking
- Magnas Veritas
- Off Centre Tear
- Singing in the Vain
- What Sign are You?
- Hallucinations - a spectator hallucinates seeing a card in the deck

If you're looking for high-impact mentalism, look no further.
