Sprache: ENGLISCH. 14 x 20,5 cm, 264 S., BCA, 1978, gebunden Aus dem englischen Klappentext: Did you know that the appearance of bubbles on the surface of a cup of tea can mean you are in for some money? In this wideley researched and engagingly written dictionary, Philippa Waring has losted omend and superstitions from all over the world, tracing their probable origins and the rich symbolic context in which they still survive. She suggests ways of exploiting good luck and avoiding bad. With over 500 entries, 'A Dictionary of Omens and Superstitions' is the most wide-ranging and fascinating work in this field.
