"Virtual Triumph is one of the coolest self-working card tricks I have ever seen. I actually 'fooled myself' the first time I did it! I will definitely be adding this to my next interactive online magic show!" - **Cody S. Fisher**

"Killer effect for virtual magic but also a great do as I do in person effect. Many variations and tips taught to fit any parameters." - **Ryan Shlutz**

"I love this! Real magic that has power through a screen." - **Jon Armstrong**

"A truly Amazing Triumph for the times!" - **Terry Ward**

**Included in the instructions are a gimmickless version, as well as instructions on how to make your own gimmicks.**
