Roger Golde explains in the introduction "All the effects can be mastered technically with relatively little practice. No gaffs, trick cards or complicated pre-arrangements are required. A variety of material is presented from sleights, which are barely effects in themselves, to tricks or routines which are full-blown presentations with suggested patter."

**Routines and techniques include:**

The Big Deal, A New Twist, Snap Change With A Double Whamme-e-e, The Space Age Spread Pass, Twice More A Double Lift, No Way, One Way, Slap Jog, Swing Cut (and Allemand Left), The Flasher!, Passing Fancy, Color Changes By The Corners, Spaced Out, The Throwaway Bottom Deal, Four Card Phantasy, The Legendary Six Card Trick, and Mme. Iona Knows.

A 64-page comb bound booklet. Published by Ray Goulet's Magic Art Book Co. in 1981.
