First, you attempt to produce a rabbit from your hat.  
You produce a silk, but with the picture of a DUCK!  
Ducks are cute, but rabbits are MAGICAL!

## Produktinformation

---

Well, it's easy for you to fix that.

You just bring the two corners of the silk together, and when opened again, the duck has transformed into a RABBIT!

Yes, the rabbit is the duck turned on its side, but the quick optical illusion will get a great response from your crowd!
