If you enjoyed The Ultimate Wild Card, here comes Jean-Pierre Vallarino's take on the **McDonald Ace's Routine**.

This routine presents 2 different versions of the trick:

The Basic Routine - comes complete with the special gimmicked card to perform.

The Ultimate Version - designed for card magicians.

Both backs and faces of the cards are shown during the routine. Each disparities of the ace's are different, using a different method, Therefore, making the performance more and more impossible.

Easy to perform for any card magician.
