THE PENDULUM TAROT

by Roy Miller
A Ray Piatt Release

Folded
Precognition Form

Precognition Form

The Pendulum Tarot is based on Ray Piatt's "*Psychic Circle*." Thanks to Bob Cassidy for suggesting that the ESP cards be replaced by Tarot cards. Thanks to Sal Franchino for the color layout. This is a perfect vehicle for presenting a psychic reading. Many books are available giving interpretations for the Tarot symbols and other books are available for the pendulum techniques and numerology readings. All of these subjects can be used to make this a feature effect.
