Michael Maxwell's Incredible Magic...Made Easy! is a multi-volume DVD series designed to teach you how to easily master and perform some of the greatest magic tricks ever created! Each set in the series covers a different and unique type of magic, such as Bar Magic, Card Magic, Coin Magic, Rope Magic, Silk Magic, Impromptu Magic, Mental Magic, Money Magic and many more!

Magic at the Bar, Volume 3 continues your journey into the incredible secrets of performing magic at the bar. Amazing magical effects that are easy to perform on either side of the bar, but are especially suitable for bartenders who wish to raise their image to a new level. Return customers are guaranteed; they will bring their friends to witness your incredible magic. Imagine the extra cash you can earn by increasing your tips... all because you have baffled and entertained them like never before!
