Luke Dancy has assembled a collection of some of the most visually arresting card effects ever seen, using the simplest of secret gimmicks: double-stick tape.

Included in this collection are ten of Luke's pet card routines that utilize this gimmick (and sometimes a few other things) to produce astounding results. In addition, Luke has included the killer routine "Warped", which is guaranteed to make jaws drop. This is stunning card magic.

Effects:

- Split Personality
- Sandwich Way Did They Go?
- The Compressed Deck
