Luis Otero is one of Latin America's leading professional magicians. He is in constant demand for his shows at theaters, private parties and corporate events. He has many television appearances to his credit in addition to performing and lecturing worldwide. He began his career as a very successful restaurant magician in Venezuela where he also founded the Sociedad Venezolana de Ilusionismo and the Escuela Cartomágica de Caracas.

On this DVD he performs and teaches the outstanding and well-thought-out card routines that he performs for lay people and magicians. This is a repertoire of advanced card magic that is beautifully routined and presented.
