Ever wonder what's really in Spam? Head cheese? Chorizo?
Secret recipes from hell, page 68.

One of the most respected and powerful figures in Hollywood
made two pornographic films—one of them in 3-D.
Names named, page 203.

Ever since Houdini's time, magicians have baffled police and public alike
by escaping from straitjackets, handcuffs, and federal prisons.
**Step-by-step explanation, so simple
your kid sister could do it, page 162.**

Electrified prods, rubber hoses, and transvestism are just part of what
makes the U.S. Navy's equator-crossing ritual unique.
Depraved secret rites, page 245.

Had enough of smug folks who build ships in bottles
and won't tell you how it was done?
Full disclosure, page 97.

A gazillion face-lifts can't keep celebrity ages under wraps.
Everyone's got a birth certificate somewhere. Even the Gabor sisters.
Legally documented ages of the famous, page 13.

Airlines, beer companies, and the U.S. government use secret codes
to keep ordinary Joes and Janes in the dark.
Secret decoder info, page 135.

It is darned near impossible to start a fire by rubbing sticks together.
Today's Boy Scout leaders resort to covert use of matches, chemicals, and electricity.
Craven deceptions, page 239.
