Klappentext:

Norm Houghton has been wowing and amusing magicians for over sixty years, with his frequent contributions to magic magazines. Now, for the first time, his best material - tricks and gacks that have stood the test of time - has been gathered in this finely-crafted book, with new illustrations, additional notes, and Norm's famous one-liners. The tricks are all easy to do. There are tricks with cards, coins, ropes, silks, and more, all practical and eminently useable by newcomers and seasoned pros.
