Umschlagtext:

Have you ever dreamed of amazing you friends and mystifying your neighbors with dextrous feats of playing-card legerdemain? Have you ever gazed, baffled, at a dashing performer's flawless execution of a magic trick with a deck of cards? Well...now you can learn just how it's done and, what's more, just how to do it yourself! In this big, bold volume, Walter B. Gibson reveals the principles and techniques involved in doing card tricks, in easy-to-follow descriptions and step-by-step photographs. The book is crystal-clear, encyclopedic, and remarkably entertaining. Card magic is presented in twelve basic classifications...
