16 x 23,5 cm, 286 S., L & L Publishing, Tahoma, Ca., 1996, gebunden mit Schutzumschlag.

### Klappentext:

When the Art of Close-Up Magic, Volume 1, was re-published in 1967, literally hundreds of requests were made for Volume 2. This book is a treasure-house of superb and timeless close-up magic. Lloyd E. Jones, Magical Literature Review's Editor of Genii Magazine, wrote, "Get yourself a copy and remember we said EXCELLENT!"

The ten chapters are: Destroyed and Restored (starting with Phoa's cut silk and expanded matter), Three Rings for Dai Vernon (Ganson's routing of Vernon moves), Mainly Mental, Novel Nedcromancy, Rink in Close-up, The Magic Sleeves of David Berglas (EXCELLENT), A Session with Bobby Bernard (GREAT), Two Classics (Gansons routines with the Devano Deck and the Egg Bag (!), and the last chapter which has three items - a very good Roulette routine which gives much information for those interested in gambling routines; Gerald Kosky's fine Magic Ring, and Will Ayling's The Story Teller, an adaptation of an old puzzle making it even a stage routine. A timeless classic now beautifully produced!
