Umschlagtext:

The Cardwright is a large hardcover compilation of 48 exceptional Jennings creations. The contents have been drawn from a lifetime of intense concern with excellence in card magic. Included are some of Larry's most prized productions.

There are locations, reverses, revelations, sandwich effects, predictions, assemblies, twistings, productions, changes and more.

There is a large chapter of new sleights and technical refinements.

Produktinformation

There is a chapter devoted to eye-popping tricks with wallets. These are some of the most extraordinary effects ever conceived with the Jennings and Mullica wallets!

And there is Larry Jennings' treatment of Dai Vernon's Slow-Motion Aces. In it Larry removes a discrepancy inherent in the original, and adds some fine handling touches.

All the items have been thoroughly detailed by Mike Maxwell and supplemented by over 235 clear photos of Larry Jennings' hands in action. This, and the name Jennings, guarantee your satisfaction.
