New Card Compositions by 29 German & Swiss Masters

16,2 x 13,5 cm, 233 S., Hermetic Press, Seattle, 2000, gebunden mit Umschlag

Umschlagtext:

Concertos for Pasteboard features a remarkable breadth of material for today's card magicians. The tricks, which are helpfully classified for skill level, range from nearly sleightless to technically demanding, and their potential to surprise and amaze is consistently high. In total, this substantial volume contains enough variety, quality, entertainment, and ingenuity to please the most experienced readers and performers of card magic.
