Street Performing in New York's Washington Square Park; University Press of Mississippi 1990, 159 Seiten im Format 15 x 22,5 cm, broschiert. Interessante wissenschaftliche Arbeit über Straßenkünstler.

Aus dem Vorwort: "While documenting the complex expressions of street performance in a specific outdoor environment over a period of four years, *Drawing a Circle in the Square* gives a broad examination to the relationship between outdoor performance and urban culture. In theatres reduced to their barest essentials the performer juggles, blows fire, performs magic, and tells jokes. This act appeals both to our sense of humor and to our longing for a of spontaneity in our city-structured lives."
