Über den Autor:

Marvin L. Hardy has been delighting audiences worldwide with magic for more than 40 years. Today, he is an innovator and leading authority on balloon magic, the art of tying balloon figures. Marvin became fascinated with balloon figure tying several years ago. Starting with only four basic figures, he has expanded his repertoire to several hundred. His balloon creations include such intricate designs as the Pink Panther, motorcycles, unicorns, celebrity caricatures, and many others. Marvin wrote Balloon Magic so that balloon figure tying, an enjoyable pastime and art, can be accessible to everyone. After learning basic twists and techniques, and with a little practice, you will be amazed at the hours of entertainment and fun provided by Balloon Magic.
